

Serviced Office Space UK

Capitol Boulevard West

Leeds LS27 0TS

This office space is conveniently located in Leeds South, just a few miles away from the city centre in the suburb of Morley. Commuting is made easy due to the fantastic location of this space. The intersection of the M1 and M62 is easily accessible from this office space. In addition, ample on-site parking is available for members. The nearest train station, Morley Station, is situated just 2.1 miles away from the office. Clients can also catch the 427 bus just six minutes away on foot from Tingley Common Topcliffe Lane.

State-of-the-art co-working space that keeps members out of the city, away from the hustle and bustle. This stunning space has been designed to meet every business need, from free-flowing tea and coffee to private meeting pods. At this location, clients will have access to flexible desks, phone booths, and break-out areas. This is the perfect place to network with like-minded business people. All of the spaces available are open-plan areas that are filled with stylish furniture and an abundance of natural light. This space has been designed to promote a good work-life balance. Grab a business lunch from the Pub & Grill, and enjoy a coffee at Starbucks. Occupants will also have access to leisure and gym facilities. Every detail here has been carefully considered so that clients can move in stress-free.
