

# Serviced Office Space UK

---

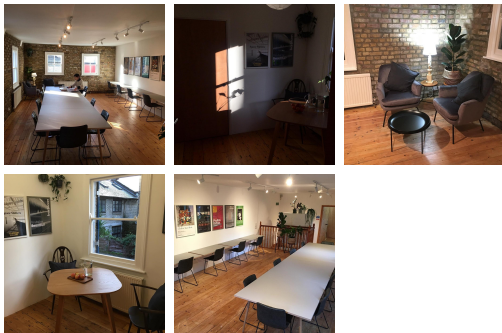

## London NW5 2AB

This is an incredibly well connected office space, serviced by the Northern Line, ThamesLink and also the London Overground, as well as several bus connections. You could be in central London in under twenty minutes or walking on Hampstead Heath in fifteen minutes. There are numerous places to eat and drink, including an on-site store and there is a vibrant community feel to the area - lots to explore when you need a break from your desk. Banking and postal services are also available on the doorstep of the office.

A co-working and event space, for freelancing creatives and small businesses seeking a positive shared workspace in the local community. Desks are available on a number of different membership options depending on your business needs - from full-time and part-time packages. In the evenings or at weekends the space is available for workshops, talks, product launches and other events. Downstairs you'll find an independent coffee shop and lifestyle store, with a focus on delicious fare and hand-crafted wares from London and UK makers. A fantastic creative community workspace in a fantastic location.
