

Serviced Office Space UK

203-213 Mare Street

London E8 3QE

Conveniently located on Mare Street, which runs through the centre of Hackney, a highly sought-after area filled with a wealth of amenities including shops, restaurants, cafes, and bars. Fantastic public transport links are available from this central location. London Fields station can be reached in just four-minutes on foot. Buses pass through the area frequently. St Thomas's Square bus stop can be reached in just one-minute. Taxis are readily available due to the central location of this space.

A stunning office centre comprising 94 modern offices and studios over four-floors in a highly sought-after Hackney location. This flexible office allows you to scale up or move as your business grows. Each detail has been included to meet the demands of your modern business. The space is filled with natural light and boasts a sleek and stylish interior design. Members have access to modern meeting rooms, an on-site cafe, breakout areas, and even a rooftop terrace! All business essentials such as a staffed reception, CCTV, and 24 hour access are, of course, included. A centre manager is also available to ensure everything runs smoothly throughout the week. The wellness of members is paramount and you will also have access to showering facilities and cycle racks.
