

Serviced Office Space UK

23 Grand Parade

Brighton BN2 9QB

The business centre is located at Brighton. The Fantastic central Brighton address is near to all amenities, less than a mile from Brighton rail station (London is as little as 52 minutes), and just a few minutes' walk from Brighton's seafront and shops, bars, and restaurants. East access by road from the A27 (Eastbourne and Worthing) and M23 (to London), public parking nearby. The space offers fully serviced offices with 24/7 access. The centre is surrounded by an array of hotels, restaurants, and cafes.

The business center is an exclusive suite of serviced offices which offers a quality environment reflecting the individuality and success of the business. In many ways, the workspace is the antidote to the soulless, generic spaces typical of most serviced office buildings. Instead, the space offers just seven offices refurbished to a high standard in a charming Grade 2 listed Georgian townhouse, each one with the own individual character. The building may be approaching 200 years old but does not mean this is lacking in the features would expect from a modern office, including plentiful power and network ports and high-spec lighting.
