

Serviced Office Space UK

200 Whitton Road

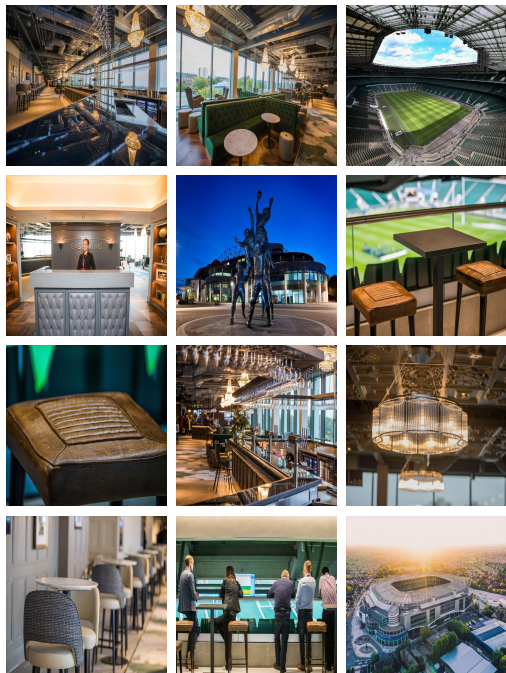

Twickenham TW2 7BA

This business centre is located inside Twickenham Rugby Stadium, putting this workspace a truly unique setting. There is a plethora of amenities that surround the property, including cafes, restaurants, and supermarkets - convenient for lunch times or outside of work hours. Twickenham railway station is less than a fifteen-minute walk away, whilst Whitton railway station is a twenty-minute walk. There is parking on-site which makes this a great option to 'work near home' and eliminate the need to commute into the City of London.

From September 2020 comes a unique opportunity to work from the East Wing at the Home of English Rugby. Space within Twickenham stadium will be transformed to accommodate a fantastic co-working workspace. You can join a vibrant business community with regular networking events, seminars, and recreational days. These networking events are frequented by internationally recognised sport stars. As well as breath-taking views of the grounds, members can take advantage of the meeting rooms, break out space, printing facilities and complimentary high-speed Wi-Fi. This is the perfect location to work, meet and collaborate in an inspirational working environment.
