Cheltenham's growing economy makes it a perfect hub for businesses - big or small. It's a town filled with character, fantastic bars and restaurants, and was even chosen as the best place to live in the South West 2020. The business centre is a 5-minute walk from the town centre. Here, you can pick up a coffee from one of the many independent coffee shops, relax in the parks or browse the boutiques in Montpellier. Commuting to and from the space is quick and easy, with parking for those who come in by car, and Cheltenham Spa station is only a 15-minute walk away!

This office space sits in the heart of Cheltenham's business quarter, just a short walk from the town centre. The newly renovated offices are innovative and stylish, providing an inspiring and motivational place to work. We provide flexible workspaces to cater to your business's evolving needs, from hot desks to private offices. The high spec facilities, including a brand new onsite cafe, are available for all business centre members. The space also comes with fully equipped meeting rooms that you can use with clients, as well as on-site parking and lovely outdoor space! The offices are also accessible 24 hours a day.
