

Serviced Office Space UK

Birmingham B1 2DJ

With wide open areas on-site and a canal side location, the fully-managed estate at Brindleyplace Birmingham offers space which goes beyond the boardroom, allowing staff to get away from the hustle and bustle of their working day in a safe and secure environment. The estate is also home to a host of cultural and family attractions such as the Ikon Gallery, and a range of restaurants and bars, including nationally recognised chains and local independents providing the ultimate space to unwind with friends over a drink or a bite to eat.

Customised plug and play workspace, or fully fitted offices ready for an immediate move-in, Brindleyplace can cater to members specific needs, together with the option to have the workspace fully managed on client's behalf after move-in. The workspaces can accommodate between 25 to 250+ workstations. The centre flexible contracts and personalised service will enable members to focus on work, not leases. The team is based on site and is on hand to help clients in whichever way the space can. In addition, the workspace allows clients to have 24 hours access in 7 days of the week with high speed internet. There are lounges and breakout areas where you can take a break during a hectic workday.
