

Birchanger Industrial Estate

Harlow CM23 2TH

The property is located on the main Stansted Road (B1383) linking the town centre with the A120 bypass, Stansted Airport and the M11. The property's location also offers easy access to the M11, Junction 8m for Cambridge, London, and Stansted Airport.

The unit comprises a large self-contained office suite at first floor level. This suite benefits from a predominately open plan office area divided by demountable partitions to form a number of smaller offices, together with a Comms room, a kitchen, storage and x 3 WC's. Part airconditioned, alarm system, Cat II lighting
