

# Serviced Office Space UK

## Bicester OX26 0LD

The centre is located in the North East of Bicester town, close to LIDL and Homebase. From Bicester Village, take the A41 towards Aylesbury and take the second exit from the first roundabout onto the A4421 (Wretchwick Way). Stay on the A4421 at the next roundabout as it becomes Charbridge Lane. Turn left again towards Buckingham with the Industrial Estate signposted, followed by another left turn towards the Town Centre and Launton Road Industrial Estate. Turn off into Telford Road Industrial Estate and go past Screwfix and Halfords on your right, continue to the end of the road and turn left again – you'll see our Bicester Self Storage facility on your right. You can also get the S5 Gold or Number 18 Bus from the Town Centre, which also offers a connection from Bicester North Station. From Oxford and the south the centre is a quick and easy journey from Bletchingtondon & Kidlington (20 minutes), Central Oxford (26 minutes) and Headington (28 minutes). Head North on the A34 and continue North on the A41 at the M40 junction 9 roundabouts. Continue into Bicester past the park and Ride then turn right onto the A41 at Bicester Village Designer Outlet. From here, follow the instructions above and you will arrive in 10 minutes, with parking directly outside our storage centre. From the north, reaching our centre from Banbury takes just 25 minutes. Take the M40 past King's Sutton and Twyford, then join the A43 at Junction 10 (Cherwell Valley Services). Turn right onto the B4100 at the McDonald's / Esso roundabout (signposted Bicester, Hardwick, Stoke Lyne and DLO Caversfield) and follow this South until you reach Bicester. Continue straight at the next roundabout then turn right onto Launton Road, then turn off into Telford Road Industrial Estate. By train from Banbury there are regular services to Bicester North on the London Marylebone line. From Silverstone, Towcester and Northampton, you can reach our storage unit in 30 – 40 minutes. Hea

The office space is brand new, carpeted, centrally heated, double glazed, with low glare lighting, extremely high security. It is ideal for a small or growing business. The offices range from 130 – 225 sq ft, so ideal for a small firm / business. The offices are equipped with CAT 2 low glare lighting, broadband infrastructure (different broadband speeds and options are available from various providers), tinted double glazed windows and access to a high spec kitchen and large conference room. The office space has the benefit of a reception area for office visitors and direct access from the offices to storage, we can provide an atmosphere that is both professional and practical. The space had clients ranging from IT consultancies to marketing businesses, call centers to cleaning companies. Each office is available with flexible terms and affordable prices, whether clients looking to start up your own business or clients an existing business setting up a new branch or satellite office. If members need new office furniture or other equipment, clients can purchase whatever they need from the main UK suppliers at cost. It can be delivered and assembled in client's office suite, so members are ready to start work.
