

Serviced Office Space UK

146-150 City Road

London EC1V 2NL

The office space is located a stone's throw from Old Street Station and Silicon Roundabout, the primary home of London's booming tech scene. The building is extremely well located, with Old Street station on the doorstep providing access to Kings Cross Station in 6 minutes, London Bridge Station in 7 minutes, Liverpool Street Station in 10 minutes, and Waterloo Station in 15 minutes. The city of London has easy connectivity with 4 of the airports so receiving clients is not a hassle. All this makes this workspace one of the prime locations to choose as an office space.

The workspace is an example of a modern design building and an efficient workspace. The office space offers serviced office spaces with all the amenities included for today's working requirements such as 24-hour access, reception facility, communal kitchen, generous lounge area, and business-grade internet service. The space facilitates round-the-clock security for added peace of mind. In addition to that, there are meeting spaces in the office space so that members can pitch ideas in front of clients and subordinates. This building is a wonderland for all things digital - providing an ever-expanding hub of creatives with never-ending networking opportunities.
