London W1T 3LP

Situated in a prime location in London, surrounding the space are many facilities like eateries, where tenants can enjoy a lunch break or an evening of entertaining clients. The regional transport links are also excellent and provide all prospective tenants with a range of frequent and convenient services throughout the area. The surrounding area offers a wide range of eateries and amenities like banks and retail shops, providing tenants with everything at their doorstep. With everything on the doorstep of this business centre, there are also many recreational activities around the corner.

The inspired design continues upstairs, with five floors of contemporary workspace and thoughtfully considered zones that aid quiet concentration and collaborative teamwork. Naturally, this hub has all the amenities members expect from the space, like tech-enhanced meeting facilities, fully stocked kitchens on every floor, secure bike storage, showers and floor-to-ceiling windows that wash each floor with mood-enhancing sunlight. And to top it all off, beautifully landscaped terraces with views over the city. In addition, the workspace allows clients to have 24-hour access in 7 days of the week.
