## London N1 6PB

The workspace is located on the southeast corner of Hoxton Square, Hoxton's only public garden square built-in 1683, making it one of London's oldest. Fantastic transport links are available due to the central location of this space. It is only a few minutes walk from Old Street Station and Shoreditch High Street, which provide rail links to the rest of London and beyond. The structure also includes secure bicycle storage, allowing cyclists to pedal to work every day. In addition, the centre is surrounded by an array of hotels, restaurants and cafes.

The workspace is a lovely building on Hoxton Square with five levels of excellent serviced office space perfect for enterprises of all sizes. It's part of the much-lauded Hoxton Campus, a cluster of workspaces that's made a name for itself as a prominent technological centre, and it's the ideal location for firms searching for a new office with a lot of character in Shoreditch. A variety of self-contained office spaces ranging from 300 to 7000 square feet are located throughout the structure, from the basement to the third story. They're fully equipped with modern ergonomic furniture, completely unbranded, and available on flexible plug-and-play leases. They're the ideal workspace solution for small to medium-sized organisations looking for something more. Besides, the space allows 24 hours access seven days out of every week with high-speed WIFI accessible throughout the centre.
