

Serviced Office Space UK

Broad Street

Stoke-on-Trent ST1 4EU

The provided workplace is the first purpose-built modern flexible workspace for the city that would easily compete with similar spaces in London or Manchester. There are three main flexible and inspiring workspaces, each with their own unique benefits, for people to choose from so there is something suitable for everyone. Stoke on Trent railway station is only 8 mins away with direct rail links to all major cities, tenants can reach Manchester or Birmingham in under 1 hour. With the cultural quarter and shopping area a 5-minute walk away, the center is in the perfect location.

This centre is a managed workspace that provides a full range of flexible workspace options, including hot-desking, private suites & resident memberships on a completely flexible basis to suit individual or small business needs. Located within the dynamic mixed-use Smithfield district of Stoke-on-Trent. The workplace is the first purpose-built modern, flexible workspace for the city, and whether a freelancer, remote worker, or small business, has been carefully designed to cater to workspace needs with all of the latest video-conferencing techs. The facilities include plug-and-play, zoom, and bottomless tea and coffee, among many more.
