

Serviced Office Space UK

699 Warwick Road

Solihull (UK) B91 3DA

This centre provides easy access to the property with plenty of bus links and a short walk from Solihull train station. With parking also available nearby, there is no surprise that the property is in such high demand. Not only that, but this workspace's proximity to multiple motorway networks makes this ideal for day-to-day commuting or further travel—be this for business or pleasure. Birmingham Airport is just a 15-minute drive away, providing more flexibility for travel and making Solihull centre an even more desirable location.

This centre has a luxurious workspace which is something to be cherished. From the small front retail area acting as a reception area to the wash basin area, this office leads to a large main salon filled with top-of-the-line salon furniture that perfectly complements this newly refurbished building. Other services include broadband and telephone connections, a fire alarm system for safety purposes, individual branding exclusive to the space, as well as a kitchen with a dishwasher and fridge for beverage needs. And on top of all, there's even a phone door entry system that helps keep clients feeling secure.
