London NW7 4RS

Mainline and underground train stations nearby providing speedy access to Central London. M1 Motorway just 4 miles from Mill Hill.

This small to medium-sized offices centre provides a personal and intimate, but nevertheless highly-professional working environment. Unlike larger office buildings, the staff are trained to take care of your business as if it were their own. This creates a family atmosphere whilst allowing your business to prosper at the same time. The building itself is full of character and the bright and tidy offices come fully furnished. Answering services are also provided for businesses that do not need an actual office.
