

# Serviced Office Space UK

## Solihull (UK) B92 9EJ

The building is situated in a prime location in Solihull and provides fantastic connectivity with all modes of transport like the train, and other modes of public transport that are readily available to reach the centre. The proximity of centre to the airport makes it very convenient to reach the office, reaching the centre from the airport only takes about 7 minutes by car. Birmingham airport is the nearest airport to the centre. The office space is equally connected with the railway station also as it merely takes about 7 minutes by car to reach the railway station.

Members have access to host large private events in the main lounge that fits over 150 people. Weekly events are also complimentary to members. Every office comes with its own private outdoor space. Jump on a call and have nature as a backdrop. This centre provides a mindful office working environment. Free tea and coffee, two executive meeting rooms, a video wall, and more facilities are also available. This workspace also provides breakout space. Looking out into the pitch offers up the perfect view when the time to take a welcome breather. Customized brand paneling is also available. Branding can be placed throughout the office space, and panels and walls can be painted in branded colors.
