

Serviced Office Space UK

Belfast BT2 7HG

The workspace is located in the heart of Belfast, where all modes of transportation are readily available. The workspace is within walking distance of City Hall, Ulster University, Queens University, Botanic Station, Great Victoria Street train stations, and some of the city's best restaurants and hotels. Botanic is a mere 5 minutes walk from the office and has some of Belfast's best coffee shops and eateries. This office space is strategically positioned in the city centre, within walking distance from banks, coffee shops, restaurants, hotels, parks, etc.

The workspace is situated on the ground and mezzanine floor of the iconic building. It combines private office suites, flexible hot desks, conference rooms, meeting rooms, private phone booths, and outside terrace seating space. The building's floor-to-ceiling windows provide an abundance of natural light. The workspace offers over 4000 square-meter fully furnished office space. The workspace includes modern conference rooms, booked on request, serving as additional meeting points, and equipped with all required technical outlets to provide comfortable support in tenants' business ventures.
