

Serviced Office Space UK

9 Little Park Street

Coventry CV1 2UR

This centre is located in a small street in the heart of the city of Coventry. The workspace is just a few minutes walk from the main shopping district and many of the city's transport links, making this an ideal location for those who want to be close to the action but don't want to be right in the middle. The street is home to a variety of businesses, from restaurants and cafes to shops and offices, so there is something for everyone. This office is also perfect for those who want to experience true British culture, as this is home to many of the city's historic landmarks, such as the old market square and the historic city wall.

Build the business in this historic city and join a buzzing commercial scene where traditional industry thrives alongside a growing professional services sector. Choose the ideal setup in a modern, newly built, and well-designed workspace. This centre has a variety of meeting rooms and virtual offices so that clients can find the perfect space for their needs. The facilities like greeting guests at the reception and telephone answering are impeccable and the team is dedicated to providing the best possible service. In addition, there are break-out areas as well for some relaxation after a hectic day of work.
