London EC2M 4LX

The Bishopsgate area, located in the heart of London's financial district, boasts a dynamic urban landscape. Surrounded by iconic skyscrapers and historic architecture, it offers a unique blend of old and new. Excellent transportation options abound, with multiple Underground stations, including Liverpool Street and Bank, ensuring convenient access to various parts of the city. The area is also well-served by buses and offers proximity to Liverpool Street Station, a major railway hub. Bishopsgate's central location means that it is teeming with a wide array of dining, shopping, and cultural attractions, making it a bustling and vibrant destination for residents and visitors alike.

The building is a former Victorian fire station initially constructed in 1885 and redeveloped behind a retained Grade II listed façade. It has been recently refurbished and has open-plan interiors with a concierge. Take out the laptop and work comfortably in shared places at members' leisure. Several offices are available in this wonderful old building, which is located in one of London's most prestigious private gated lanes. The area recognises the importance of creating the appropriate impression, from the impact of an iconic building to a chic and smart office. The most elite locations in the globe to work, inspire, and impress have been hand-picked by the workspace.
