

# Serviced Office Space UK

---

## 33 Hanworth Road

Sunbury TW16 5DA

The office space is close to transport links including buses, taxis and Sunbury Railway Station. The office space is easily accessible from the M25, M3, M4, A316 and Sunbury Railway Station. It is also situated 15 minutes from Heathrow airport making it easily accessible for businesses with international clients. There are a number of hotels and restaurants close by as well as parking for the members travelling by car. The location of the office space makes it an ideal base for businesses looking to be close to transport links and amenities.

The businesses or freelancers looking for a space to help grow their business, this office space may be the right choice. The office amenities include super-fast WIFI, printing, meeting rooms, 24/7 secure access, coffee and tea, a fully equipped kitchen, community educational events and a community of 200+ entrepreneurs and freelancers learning from each other and also inspiring each other. The centre offers flexible terms to ensure that clients are only paying for the time needed, whether that's a day, a week or longer. The office space also provides a breakout area where members can relax with a cup of coffee or tea. All of this is aimed at making the member's working day more enjoyable and productive.
