

Serviced Office Space UK

44 Newhall Street

Birmingham B3 3PL

The centre is in the heart of Birmingham so reaching the centre is not a problem, various transport links like buses and trains are available to commute to the centre. The proximity of the office space to the airport makes the office space one of the prime workspaces, as the centre is 7.0 miles from Birmingham Airport. Members can reach the airport by vehicle in 22 minutes and through public transport in 26 minutes. Moreover, many restaurants and hotels are near the centre to host casual meetings.

This office space keeps in mind all the requirements of a user. The kitchen, lobby, and reception should be top-notch and offer warmth and comfort. It should instil confidence in clients and customers when they visit the office. The interior design should be modern and sleek. This kind of workspace would make a great first impression. A place like this would be perfect for any new business or startup company. It has all the makings of a great workspace without being too expensive or old-school. Spacious, fully-furnished offices offer a team somewhere to work comfortably, where members can move in and get started - no need for time wasted setting up various desks.
