

Serviced Office Space UK

Nuart Road

Nottingham NG9 2NH

The professional business centre is in the heart of a bustling Nottingham suburb, Beeston. Multiple modes of transport are available such as public transport buses and taxis in the town to reach the office building. In addition to that, the workspace is at a distance of 8.3 miles from the East Midlands Airport. There are a number of transport options available from the airport including buses and taxis. Moreover, limited parking is available onsite for an additional monthly charge, as well as a vast amount of public parking nearby for a reasonable price.

The campus area is comprised of multiple grade-A offices, built to a high specification and focused on the best possible environment for productivity and professionalism. All of the offices within the building have been fitted with the latest technology in terms of Paxton access control, video intercom system, CCTV for all common areas and localised air conditioning in each office. A superfast 1GB commercial data line has been installed, delivering superfast dedicated broadband and wifi so the business can operate at its best. The internet options that can be offered are completely tailored to clients and the business, offering a wide variety of options including public IP address, server hosting, VOIP phone systems and more. With so much to offer, this workspace is sure to meet the needs of any business.
