

Serviced Office Space UK

77 Marsh Wall

London E14 9SH

The workspace is situated in a tranquil dockside location adjacent to the South Quay Docklands Light Railway station and a short walk to both the Jubilee and Elizabeth lines, leaving under 20 minutes from the West end and 15 minutes from the city. There are plenty of things to do in the area, with Mudchute Park just a short walk away, as well as restaurants, cafes, and shopping centres for clients' enjoyment. The location offers easy transportation to all these attractions, making it the perfect place to stay for business and pleasure.

The workspace has launched an exciting new offering, showcasing sleek and modern office spaces. An inviting entrance to the communal breakout area and exceptional commuter resources create an ideal environment for all employees. This centre is an excellent opportunity to move any business into a prime location with all the necessary amenities for success. The area nurtures a well-balanced atmosphere of productivity, creativity, and comfort with 24/7 access, state-of-the-art fibre-optic internet, private offices, reception, meeting rooms and more. In addition, tenants can also have access to parking, bike storage, an on-site cafe, a gym and many more.
