

## 1 Grosvenor Crescent

London SW1X 7EE

The serviced offices and virtual offices available at this centre are not only first-class well-equipped facilities, but also perfectly positioned in an ideal location just 1 minute from Hyde Park and Hyde Park Underground station. This exclusive area in Belgravia is home to many diplomats and some of London's most sought-after residential and commercial properties.

This magnificent building is located on the corner of Belgrave Square, just minutes from Hyde Park corner and in the heart of Belgravia, one of London's most desirable neighbourhoods. The building has been sensitively restored to the highest standard, providing modern offices and meeting rooms and an abundance of period detailing including ornate plasterwork, a sweeping staircase and original tile work. This Grade A office space is especially suited to those requiring discreet offices suitable for 1 to 20 desks on short, flexible terms.
