

Serviced Office Space UK

193-197 High Holborn

London WC1V 7BD

Located in the midst of London's Midtown, this is the perfect location for businesses looking for an easily connected workplace. Covent Garden underground station and Tottenham Court Road train station are both conveniently situated within walking distance; transport links are further enhanced by numerous buses and taxis, as well as easy access to London City Airport and Heathrow Airport. The building itself is surrounded by a range of local amenities, allowing visitors to explore many cafes, bars, and restaurants. In summary, it can be seen that this landmark location offers unparalleled connections with every corner of London city.

Located in an impressive eye-catching listed building, this workspace offers 25,000 square feet of high-quality flexible serviced office space. Carefully restored to include a wide range of amenities, visitors will be impressed upon entering the building by its stunning Portland stone façade and a double-height marble entrance hall. Office spaces are available in different sizes and amenities including private reception service with cleaning, break-out areas and kitchens stocked with complimentary beverages. Furthermore, the workspace has installed advanced security entrance systems as well as dedicated phone booths for added privacy.
