

# Serviced Office Space UK

---

## Marlow International

### Marlow SL7 1YL

This workspace is situated only 35 miles away from the centre of London, businesses can enjoy the proximity to the city centre while avoiding the hustle and bustle. Home to some well-known and celebrated businesses, it is no surprise that more organizations have chosen this space as the go-to workspace provider. What's more, employees benefit from being able to work in a flourishing commercial environment that is sure to inspire bursts of creativity. So if anyone wants a space where the team can be nourished and encouraged leading to great business success, then this centre is an ideal choice for everyone.

The centre offers excellent 24-hour security with CCTV coverage to ensure the safety of the patrons. The space also provides convenient bike racks for anyone who would like to commute on two wheels, as well as a shower facility for those who come in from a rigorous ride. High-speed internet access allows everyone to stay up-to-date with the tasks, while the concierge service ensures there is always someone around to assist with any queries. The centre is also technologically equipped for maximum comfort, with climate control and barista-style coffee available at the in-house café. For added convenience, this workspace also offers a changing facility and collaboration space where guests can make use of the amenities or simply just relax and enjoy the centre's atmosphere.
