

Serviced Office Space UK

4 Hencotes

Hexham NE46 2EJ

Located in one of the most historical northern towns, this workspace is the perfect place to have offices. Hexham is Tynedale's biggest town and gives a unique character to this area with its historic medieval architecture. Tourists can be delighted by the beautiful buildings such as Abbey, Moot Hall, or Old Gaol. A short walk away from the building, visitors can find Sele Park for a pleasant stroll or go to the buzzing centre for food, shopping and entertainment. This location also provides excellent connectivity with the A69 dual carriageway to Newcastle upon Tyne, a railway station and many bus services for customer convenience and is just two minute walk from Market Square and all the history that Hexham has to offer.

Imagine stepping into a workspace that caters to every need, providing a perfect blend of convenience and sophistication. From the well-equipped kitchen area, featuring a sink, coffee machine, and microwave oven, to the elegant provision of cutlery and crockery, members will find everything needed at their fingertips to fuel productivity. Collaboration and communication are seamless with a designated meeting room for intimate, face-to-face brainstorming sessions with up to four people, and a dedicated zoom room for connecting with remote team members or clients. Moving upstairs, the expansive space invites everyone to settle in and concentrate on the tasks in style with a statement wood table, a mix of functional and comfortable seating options, and a standing bench. The cherry on top is this secure building offers complete peace of mind and flexibility with a personalized PIN or key card entry system, allowing members to access their work haven whenever inspiration strikes.
